

**Exploring the Political Capital of Europe:  
IBSU Students' Study Visit  
to Brussels**

*(Week of 18 September, 25 September 9 October)*

***“An exceptional experience as participants delve into the inner workings of the European Union and its institutions”.***

*During this enlightening study visit to Brussels, International Black Sea University students will gain unparalleled insights from Members of the European Parliament, senior EU officials, influential decision-makers, and renowned experts.*

*Immersing themselves in the heart of European governance, participants will engage in captivating discussions, exchange ideas, and broaden their understanding of the EU's functioning and decision-making processes. The visit will include valuable interactions with representatives of the European Commission and the European External Action Service, offering a comprehensive perspective on EU policies and external affairs.*

*Moreover, participants will have the honor of visiting the prestigious NATO Headquarters, where they will meet with esteemed diplomatic and military officials. This unique opportunity will provide valuable insights into the role of NATO in international security and cooperation.*

*By partaking in this study visit, participants will acquire a profound appreciation for the intricate world of diplomacy and politics within the European context. They will*

leave Brussels equipped with a wealth of knowledge, strengthened connections, and a renewed inspiration to contribute meaningfully to the global stage.

Further enhancing the visit's cultural dimension, participants will have the opportunity to explore the captivating cities of Bruges and Leuven. Bruges, a UNESCO World Heritage site, will enchant with its medieval architecture, picturesque canals, and rich artistic heritage.

Continuing the cultural exploration, the visit will also include a trip to Leuven, a city renowned for its vibrant student life and distinguished academic institutions.

Don't miss this extraordinary chance to explore the corridors of power and engage with prominent figures shaping the future of Europe and international relations.
